

The Wakefield High School Student Government Association

Dear Prospective Student Government Member,

Thank you for making the decision to take a part in the Student Government of Wakefield High School. Although we are a relatively new organization, we have already made many changes at Wakefield and continue to affect the student body in bigger and more beneficial ways each year. Over the past eight years, we have begun to practice many traditions that will live on at Wakefield throughout its existence.

Attached is the Intent-to-run form. You will need to fill this out in its entirety and return it to Mr. Kennedy or the main office by May 19th. If your forms are completed and you turn them in by the due date, you will be notified by a member of the Executive Board. At that time, you may begin campaigning for office. **Do not begin your campaign until the Executive Board notifies you. Failure to do so will result in disqualification from the race for office.**

Thank you again for taking an interest in the WHS Student Government. If you have any questions during the election process, please direct them to Justin Carrington, Erica Smith or Mr. Kennedy.

Sincerely,

The Election Committee of the Wakefield High School Student Government
